HISTORY/FACTS/ISSUES:

Village Community Development District No. 10 (the "District") petitioned the County to amend the boundary of the District. The current District boundary was approved by the Board of County Commissioners (the "Board") in 2004 (Ordinance 04-38). The District proposes to reconfigure the District boundary by adding and deleting certain lands. The proposed changes to the District boundary are shown in Map 1. The amended boundary would comprise approximately 1489.5 acres.

Pursuant to Chapter 190.046, Florida Statutes, the Board must approve the amendment to the District boundary via ordinance.

Attached for the Board's information are:

Ordinance to amend the District's boundary; and
Petition and Resolution from the District's Board of Supervisors requesting the amended boundary
